Subject: Price Hike from January 2009

To whoever it may concern

I travel from Blacktown station 5 days a week, I stand all the way to the city, there should be more trains pressed into service between 7 am and 9 am and again from 4 pm to 7 pm, having a 6 car train before 7 pm to Penrith is a stupid idea. The trains are absolutely filthy.

Whoever had the idea to raise the prices should travel during peak hours on the trains and see if the price hike is justified.
