Subject: Train Fare Increase 1.1.2009

Hi,

This is in regards to the suggested Train fare increase on January 1 2009 of 17%.

I don't agree with the suggestion for a rise in fare as things are hard and tight now even more now with the economy.

Please do let the price rise go through and a thought for the struggling families who are trying to manage with their finances.

Thankyou for your time in this regards

Kind Regards
