Subject: Review of CityRail Fares 2009-13

Dear Sir,

I wish to make a submission **against** the proposed increase in rail fares as outlined in the IPART Review of CityRail Fares 2009-2012.

I have been a train commuter for the past 10 years, travelling from Kingsgrove to the city on the East Hills line. Given that the level of service is still at an unacceptable level ie. carriages hot, dirty, overcrowded, in need of repair, not run according to timetable and/or cancelled, the proposed fare increase is totally unjustified and should not be approved.

Thank you,
