**Water Administration Ministerial Corporation Price Review 2010
Independent Pricing and Regulatory Tribunal
P O Box Q29
QVB Post Office NSW 1230**

16 June 2010

Dear Mr Cox

Response to the Independent Pricing and Regulatory Tribunal

NSW Office of Water Determination

Murrumbidgee Private Irrigators Inc (MPII) represents irrigators on the full length of the Murrumbidgee River, and Yanco Creek System. Our members live from Batlow to Balranald and from Jerilderie to Moulamein. We also have a number of “operators” amongst our members although volumes of water are vastly smaller than the irrigation corporations. We are approximately one third of the diversions on the Murrumbidgee system being approximately 680,000 megalitres.

MPII is in full support of the response submitted by the NSWIC and echo all issues that are raised in their submission.
