

**Subject:** electricity increase

I am writing to protest about the 20% price rise in our electricity in July. I am a pensioner and find it a struggle every fortnight to pay all my expenses now, I don't know how I will be able to stretch my budget even further to cover the increase. I ask that you please think very carefully before you approve any price rise at all because there are a lot of people like me out there feeling the pinch!

Yours sincerely, P G Johnston.
