Dear Mr Cox

Re: Determination of CityRail and TravelPass Fares submission

Combined Pensioners & Superannuants Association of NSW Inc (CPSA) is a non-profit, non-party-political membership organisation well known for serving the interests of pensioners of all ages, superannuants and low-income retirees.

Unfortunately time and other commitments have prevented us from making a detailed submission but we will be observing proceedings and would like to be listed as an interested group.

CPSA would like to see a fare structure that encourages the use of public transport. If more people use public transport then it can be maintained as a quality service which will benefit everyone, including the constituency our Association serves but more people will use it only when it becomes a more attractive transport option with an affordable fare structure.

Yours sincerely
