

I am very much against the proposed Railway fare increase, as I didn't see any improvements in services in the past 10 years. During those 10 years fares have been increased regularly for the only reason - we were told that additional funds will improve Railway services. It just didn't happen.

I think that Rail Way now owes to all cheated commuters to **IMPROVE SERVICES FIRST AND THEN** ask for a fare increase. Although in my opinion Sydney Railway is already **VERY EXPENSIVE**.
