Recycled Water Price Review  
Independent Pricing and Regulatory Tribunal  
PO Box Q290  
QVB Post Office NSW 1230

Dear Sir/Madam,

**Re: IPART Issues Paper on Recycled Water Prices for Sydney Water Corporation,  
Hunter Water Corporation, Gosford City Council and Wyong Shire Council**

The Western Sydney Regional Organisation of Councils (WSROC) represents 11 councils from across Western Sydney. WSROC has lobbied on a range of issues for the councils and people of Western Sydney since its inception in 1973. Recycled water prices are an important issue for Western Sydney and will impact on its councils and residents.

WSROC looks forward to the release of IPART's draft report on recycled water prices in the region of 15 May 2006 and would like to provide notice of its intention to work with its member councils to prepare a submission on the draft report. Should you wish to make contact in relation to this matter please call 9671 4333.

Yours sincerely
