

I CAN SHOW YOU REPEATEDLY THE BUSES LISTED IN THE EASTERN SUBURBS THAT JUST DO NOT TURN UP!!!!

When I telephone the service there is no record of the bus being late!!!

It is a bit rich but par for the course that some other Government Department will undoubtedly decree that an increase is necessary.

Have ANY OF YOU PEOPLE ever caught a bus or are you like all politicians just frothing at the mouth to get your little mits on the Publics money.

Kind Regards,

Geoff King
