Sydney Bus Fare Review

To Whom It May Concern,

I would like to register my opposition to the proposed increase in fares to the Sydney Bus pass.

Sydney Buses is proposing a reduction in service and an increase in the number stops and I truly believe that the service will no longer be value for money. Buses are regularly late, don't turn up and are full and an increase in fares combined with a change to the schedule will most definitely make me reconsider my transport options.

Regards,

Cherise Chessor
